

Youth Summer Programs

Register Today!

DaVinci Science Center

- Air We Share Research Institute: A two-week, hands-on science and tech enrichment. August 3rd–14th, Grades 6–8. Focused on air quality, climate, and environmental science through youth-led investigation and learning. No cost for Franklin Park youth.
- Summer Camps – 5 days per week. PreK-Kindergarten camps are daily from 1-3pm. Grades 1-5 camps are 8:30am-12:00pm or 1:00-4:00pm. Financial assistance is available. Snacks and lunch included.

Community Bike Works

- Junior Earn-A-Bike (Ages 6–8): A two-hour daily program combining bike riding, shop skills, and social-emotional learning with weekly themes and field trips. No cost.
- Earn-A-Bike (Ages 9+): Drop-in and structured bike programs where youth can earn a bike, explore STEAM and crafts, attend field trips, and build leadership skills through mentoring, mountain biking, and career pathways including volunteerism and paid apprenticeships. No cost.

Fine Feather

- The Excelsior Summer Camp is an 8-week immersive arts and enrichment experience that keeps youth engaged, inspired, and learning throughout the summer. The program blends creative disciplines such as music, film production, visual arts, dance, and theater with hands-on activities, weekly field trips, and outdoor experiences.
- June 15th-August 6th. No cost.

Boys & Girls Club of Allentown

- Summer Camp (Ages 6–18): A full-day summer program (8am–5pm) providing meals, academics, arts, STEM, swimming, leadership development, and workforce training in a safe, structured environment.
- No cost. Scholarships available for Franklin Park youth.

Español
